## SYMPATHY FOR BOERS

Unanimous Declaration of French Chamber of Deputies.

OCCASIONED BY OOM PAUL'S VISIT.

Minister Delcasse Protested Against Such Action and the French Statesmen Would Not Permit Their Spirit to Be Subdued.

Paris, Nov. 29.—In the chamber of deputies Thursday, M. Cochery, the acting president of that body, announced that M. Denys Cochin, Conservative, representing a district of the Seine, presented an interpellation as to the intentions of the government regarding arbitration for the Boers. The minister of foreign affairs, M. Delcasse, protested that there was no use in opening a debate on this subject, as in foreign policy especially such discussions were useless and often dangerous.

At M. Cochery's request M. Denys Cochin withdrew his interpellation and proposed the following motion: "The chamber of deputies on the occasion of the arrival of the president of the Transvaal in France, is happy to address to him a sincere expression of its respectful sympathy."

M. Cochery announced that he had received another motion from M. Fourniere, Socialist, representing one of the Alsace divisions, couched in the following terms: "The chamber of deputies, while expressing sympathy for the English democracy, (here the reading of the motion was interrupted by loud protests, but M. Cochery concluded) sends its greeting to President Kruger. Continuing, M. Cochery begged the chamber to refrain from demonstrations, which, he said, could be badly interpreted. He also asked that a vote be taken without any discussion. The motion of M. Denys Cochin was adopted unanimously and the 559 voters cheered when the result was announced. M. Fourniere, after declaring that democracies of all countries were animated by the same pacific sentiments, withdrew his own motion.

Mr. Kruger passed the day receiving a number of deputations, including delegations from the chamber of deputies who, after the vote in the chamber immediately proceeded to the Hotel Schriebe and communicated to him. Mr. Kruger, who was much touched, warmly shook hands with them.

### MET FACE TO FACE

British Soldiers and Boers Within Revolver Range.

Cape Town, Nov. 29.—General Knox, by a rapid march of 26 miles, succeeded in getting in front of General Dewet, placing himself between the Boers and the Orange river. Dewet is believed to be going westward to join Hertzog at Boomplaatz. Colonel Pilcher had a smart skirmish Tuesday, Nov. 27 with part of General Dewet's command which was conveying loot captured at Dewetsdorp. The Boers retreated, abandoning a portion of the loot a large number of horses. Former President Steyn and General Dewet were in close proximity to the scene of fighting but eluded the British.

The Boers were so tenacious that Colonel Pilcher's men actually reached a position within 30 yards of them where revolver shots were exchanged. The Boers shelled the British with 15-pounders captured at Dewetsdorp. Ex-President Steyn and General Dewet, who were breakfasting at a farm near by, rode off to the westward, leaving the front clear. The British casualties were one man killed and six wounded. Several Boers who had been wounded were found by the British.

Steyn and Dewet have since supposed to be encamped to the westward, between Helvetia and the railroad, but the command appears to have broken up into three bodies. District Commissioner Boyle of Dewetsdorp remains in the custody of the burghers. Many farmers in the district have joined General Dewet.

### Reports From Roberts.

London, Nov. 29.—In connection with the movements of General Knox reported from Cape Town, Lord Roberts in a message from Johannesburg, dated Nov. 28, says General Knox re-occupied Dewetsdorp Nov. 26. The Boers, he adds, attacked the place Nov. 21 and the town surrendered Nov. 21. General Knox, at last accounts, was pursuing the federal command. Lord Roberts also reports that various columns found the Boers holding strong positions in the vicinity of Hardsmith and Phillips, both in the Orange River colony and other widely separated points.

Livadia, Nov. 29.—The strength of the czar is increasing. His physicians issued an encouraging bulletin.

## DICK DECLINES.

Positively Declines He Is Not a Candidate For Senator.

Cleveland, Nov. 29.—It has been definitely settled that General Charles Dick, chairman of the Ohio Republican committee, will not be a candidate for election to the United States senate. In response to the recent endorsement of the American Loyal Republican League, General Dick has written a letter to John Housh, president of the organization, in which the positive statement is made that he will not be a candidate for the senate. The letter concludes as follows: "Ohio is now represented by Senator Foraker and Senator Hanna, both of whom have performed distinguished services to the country; and, unless called to higher duties and clothed with more distinguished honors, both are entitled, and deserve, to be continued in the senate."

### STARTLING DISCOVERY.

Shortage in Accounts of Cincinnati Board of Education.

Cincinnati, Nov. 29.—The discovery of a supposed error of \$1,600 in the books of George Griffiths, deceased, late clerk of the board of education of Cincinnati, led to an examination of his books with startling results. A special meeting of the board has been called for Friday to take action in the matter. The investigation so far made is said to show a shortage of \$100,000. The discovery is all the more startling from the fact that Griffiths had been clerk for 13 years and always had the entire confidence of the whole community. No city officer had a better reputation than the deceased. His estate, it is said, will not meet more than one-fifth of the shortage, in which event his bondsmen will have to make up the remainder.

### Wages Tied Up.

Youngstown, O., Nov. 29.—Among the 400 employees of the Lake Shore railroad who have had their wages tied up by a Chicago concern, 40 reside here. The scheme was to obtain their signature on a slip of paper, which turned out to be a contract for a book of biographies of the men, for which they refused to subscribe. When the pay car arrived they were notified their wages had been garnished. The men have employed counsel to protect their interests.

### Favor State Organization.

Pittsburg, Nov. 29.—A movement has been started by the officers of the Pittsburg district to organize all the miners of the five district organizations of the bituminous fields of Pennsylvania into a single body similar to the state organizations in Ohio, Indiana, Illinois, Iowa and other states. There are 60,000 miners concerned and of these 20,000 are members of the United Mine Workers.

### Avenge Fate.

Morgantown, W. Va., Nov. 29.—State Mine Inspector James W. Paul, says the recent mine disaster at Berryville, in which 14 lives were lost, was the result of a conspiracy to kill the foreman of the mine. The conspirators after lighting the fuse, stood at the entrance of the mine, but the force of the explosion was greater than they had expected and they were also killed.

### Colonel York Dying.

London, Nov. 29.—A dispatch from Peking says Colonel York, in command of the German column, is lying at the point of death at a village between Calagan and Peking. His illness was caused by inhaling fumes from a stove in his bedroom. Field Marshal Count Von Waldersee will bring in York's column.

Much indignation is expressed at the result and summary methods are talked of regarding the accused.

## DAY OF THANKSGIVING

Official Washington Had a Rest From Regular Routine.

PRESIDENT WENT TO CHURCH ALONE.

Homelike Observance of the Day at The White House With Only the Presidential Family at Dinner—The Day Elsewhere.

Washington, Nov. 29.—Thanksgiving day was generally observed in Washington. All the executive departments of the government were closed and deserted except a few clerks who came to attend the mail. Many government employees left the city to spend the day in other states. The municipal offices and most of the stores were closed. The White House bore a deserted appearance. President McKinley spent a little time in the morning in his office and at 11 entered his carriage and was driven to the Metropolitan M. E. church where he attended the Thanksgiving services. The Rev. Dr. Frank M. Bristol, pastor, conducted the service. The president went alone. Mrs. McKinley took a short drive during the morning returning in time to send the carriage for the president. The day was spent quietly by the presidential household in accordance with Mrs. McKinley's desire to observe it in as homelike way as possible. The presidential family had the regular Thanksgiving dinner at the usual hour, 7 p. m. For two or three years there have been no invited guests and the dinner this year was partaken of by the president and Mrs. McKinley alone. At all the churches in the city special services were held.

Paris, Nov. 29.—The annual Thanksgiving dinner of the American colony in Paris was given. In the absence of General Horace Porter, the ambassador of the United States, the chair was taken by George Monroe, the banker. With the exception of John K. Since their arrival at Southampton, where they were welcomed by Major General Robert MacGregor Stewart, the Canadians have everywhere been greeted with tumultuous applause. General Stewart made a brief speech to the Canadians during the course of which he said England rejoiced at their bravery and deeds just as much as they rejoiced over the honors achieved by the home troops and their kinsmen from all the colonies brought together by the war. Colonel Lotter expressed his thanks for the sympathetic utterances and the train the sympathetic utterances and the Canadians took the train for London.

### Passenger Trains Meet.

Kansas City, Nov. 29.—Two Burlington trains collided head-on in a fog at Harlem, Mo., across the river from here. Beyond a severe shaking up the passengers escaped injury. C. D. Boyd, tourist agent of the Burlington, was slightly injured, being thrown across the car, and Milton Nichols, a brakeman, was cut and bruised. The engines were locked together and badly damaged. None of the cars left the track. The trains were the 7:25 a. m. from St. Louis, which was late, and the Chicago passenger which left the union depot at 7:30 a. m. for the north.

St. Petersburg, Nov. 29.—The announcement from London that the powers had yielded to the American view concerning capital punishment and indemnities has made a good impression here. ## DARING PROJECT.

American Smelting Trust to Have a Formidable Rival.

Denver, Nov. 29.—The rival of the great American smelter trust is in course of training for a gigantic campaign. The movement has been in progress so far completed that locations for the plants are being selected and the last touches are being given to one of the most daring projects of the decade.

Three large plants are to be erected simultaneously. One is to be at Denver, a second at Salt Lake and a third at a favorable point in Mexico, yet to be named. Each of the plants is to have a capacity for handling automatically 1,000 tons of ore daily and all are to be built upon practically the same plans. Experts for the various departments have already been invited to connect themselves with the company. Each of the new smelters will be provided with refineries, where gold, silver, copper or lead can be refined to a degree necessary for the world's use. Eastern and Colorado capital have been subscribed. It is claimed the plants will cost \$1,000,000 each, much less than the amount publicly announced by the promoters.

### Loss of Yosemite Confirmed.

Washington, Nov. 29.—The navy department has received a cablegram confirming the report of the wreck of the cruiser Yosemite off the island of Guam in a typhoon. After her cables had parted, she drifted on a reef near the harbor of San Luis de Para and stove in her bottom. A launch was manned by five men and an attempt was made to get a line ashore, but the launch was swamped and the five men drowned. After pounding on the reef for some time the Yosemite was blown eastward 70 miles. Before she sank the collier Justin, which was stationed at Guam, effected the rescue of all on board.

### Samford Inaugurated.

Opelike, Ala., Nov. 29.—The oath of office as governor of Alabama was administered to Colonel W. J. Samford in his sick room at that place Thursday by his son, who is a notary public. It was made possible to do this under the provisions of the new law just enacted by the legislature, which permits the governor to qualify any time or place after his election has been officially declared. Colonel Samford was able to sit up in the morning and surrounded only by the members of his family and physicians he took the oath. Colonel Samford is recovering rapidly.

### New Lake Formed.

Marysville, O., Nov. 29.—Five miles south of here, in the Darby creek bottom, a lake has suddenly formed. The space of ground which sank is about 80 feet long and 75 feet wide. It has been estimated that the ground has sunk 200 feet deep, and the heavy rains have filled up the place with water and formed an immense whirlpool, and the noise of the water coming down into the basin can be distinctly heard for miles. It has attracted the attention of thousands of people.

TURK TRYING TO SQUARE HIMSELF.

Order For a Cruiser Merely a Subterfuge to Save the Porte From Humiliation at Home—Turkey Will Raise the Money.

Constantinople, Nov. 29.—The arrival of the United States battleship Kentucky at Smyrna has so shaken up the palace porte that indications are accumulating of a desire to hasten a settlement to the satisfaction of the United States. An trade has been issued calling for the purchase of a cruiser at Philadelphia, the price for which is to include the \$90,000 Armenian indemnity. This is regarded as a subterfuge designed for local consumption in order to save the face of the porte. Nevertheless it is now believed that Turkey will find the money and order a cruiser in the hope of propitiating the United States. Despite the dispute the relations between the United States legation and the porte continue cordial.

### Girl Kidnaped.

Wilkesbarre, Pa., Nov. 29.—Margaret Kelly, a 16-year school girl, is believed to have been kidnaped from Miner's Mills by two strange men. The girl received a note bearing the name of Rev. Father Kiernan, stating that he wanted to see her. She left the school and went away with two men and has not since been seen. Her mother lived in Cleveland and was visiting her sister at Miner's Mills when she was taken ill and died. The government officials declare such meetings are undesirable in the present unsettled state of the country. J. S. The official returns from the recent election in Kentucky have all been received at Frankfort, the last county to report being Fayette. The official vote of the State is:  
 Bryan.....235,103  
 McKinley.....227,128

Bryan's majority.....8,075  
 Beckham.....230,273  
 Yerkes.....226,775

Beckham's majority.....3,498  
 It is interesting to note in this connection that McKinley polled a larger vote than Yerkes. The general opinion was that the latter would lead the head of his ticket by several thousand votes.

ACCORDING to the figures furnished by the United States Census Bureau the population of Georgetown is only 3,823. In May last a census was taken by the City Assessor which showed a population of 5,596, divided as to sex as follows: Males, 2,650; females, 2,946. This is a wide difference. Was the work of the Government enumerators underdone, or was the work of the city employes overdone? At the recent election Georgetown polled 981 votes. Counting five people to a voter (the usual estimate) this would show a population of 4,905. What is the population of Georgetown, anyway?—Georgetown Times.

The recent registration in Maysville showed over 1,000 voters. Counting five people to a voter and the registration indicates a population of 8,000, yet the census enumerators found less than 7,000. In the language of the Times, what is the population of Maysville, any way?

**\$240,000,000.**

That's What John D. Rockefeller's Wealth Is Placed at—Enormous Income and Still He Wants More.

NEW YORK, November 24.—An offer of \$800 a share for 500 shares of the Standard Oil Company stock was made to Alexander McDonald, of Cincinnati, last night and by him refused. If it is true, as the best informed financiers believe, that John D. Rockefeller owns one-third of the capital stock of the company, Mr. Rockefeller's holdings, on the basis of the new offer, would be worth \$240,000,000.

Mr. McDonald was talking with Congressman Jefferson M. Levy in the Waldorf-Astoria when the latter turned to Mr. McDonald and said:

"I'll give you \$800 a share for 500 shares of Standard Oil, the shares to be delivered on January 1 next."

Mr. McDonald looked at the bidder and laughed and turned the offer aside as a joke. Mr. Levy insisted to-day that his offer was made in earnest.

"I considered the whole thing in the nature of a jest," Mr. McDonald said this afternoon, and then he laughed. "Jefferson M. Levy and I were talking together when he made the offer. Mr. Levy said he would give \$800 a share for 500 shares of the stock, to be delivered on January 1, 1901. But I did not take the offer seriously."

The capital stock of the Standard Oil is \$100,000,000, of which \$30,000,000 is reported to be held by John D. Rockefeller. Mr. McDonald for years has been a buyer, but never a seller of stock. On the curb market to-day 730 was bid and 735 asked. The stock sold as high as 741 a share one day this week, less 10 per cent. dividend, which would make the price equal to \$741 a share.

Assuming that Mr. Rockefeller's holdings are \$240,000,000 his income from annual dividends at that figure would be \$139,200,000, as the Standard Oil dividends during the last year were at the rate of 58 per cent.

"When dad has worn his trousers out they pass to brother John, then mother trims them round about and William puts them on. When William's legs too long have grown the trousers fail to hide 'em, so Walter claims 'em for his own and hides himself inside 'em. Next, Sam's fat legs they close invest, and when they wont stretch tighter, they're turned and shortened up for me—the writer. Ma works 'em into caps and rugs when I have burst the stitches; at doomsday we shall see perhaps the last of dad's old breeches."

### WEDDED WEDNESDAY.

Mr. Arthur W. Crutcher of Versailles Claims One of Maysville's Loveliest Daughters for His Bride.

The marriage of Mr. Arthur Crutcher of Versailles, Ky., and Miss Isabelle Watson, of this city, on Wednesday afternoon, was a notable nuptial event of the week. In consequence of a recent death in Mr. Crutcher's family, the wedding was a very quiet home affair.

The spacious parlors of the beautiful Watson residence were thrown open to the immediate friends of the family, and a few minutes after 2 o'clock p. m., the lovely bride, in robe and veil of filmy white, entered the front parlor on the arm of her brother, Mr. Walter Watson, passed slowly through to the arch between the two rooms where she was met by the groom with his best man. Solemnly and reverently the impressive words of the marriage service were pronounced by Howard T. Cree, minister of the Christian Church, and then after a few moments spent in receiving the congratulations and good wishes of those present the happy pair donned traveling garbs and departed on the 3:20 train for an extended bridal tour through the South.

The bride is the youngest daughter of the late John W. Watson and has been very popular in Maysville's social circles. She is one of the city's most lovable and charming young ladies and the groom is indeed to be congratulated.

Mr. Crutcher belongs to one of Central Kentucky's old and highly esteemed families.

### A THANKSGIVING ELOPEMENT.

Mr. William Oscar Day and Miss Eleanor Kirk, of This City, Married Thursday at West Union, O.

Relatives and friends of Mr. William Oscar Day and Miss Eleanor Kirk were given quite a surprise Thanksgiving afternoon by the announcement of the couple's marriage at West Union, O.

The couple, accompanied by Mr. Day's sister, Miss Anna Belle, left home Wednesday afternoon, the bride's parents being first informed that the party were going to Fleming on a short visit. Instead of going to Fleming, however, the party drove to Georgetown, O., where the couple expected to have the ceremony performed. The Probate Judge, however, refused to grant the coveted license on account of the youth of the prospective bride. He turned a deaf ear to all their pleadings, and new plans had to be made.

Returning to Ripley Miss Kirk and Miss Day registered at one of the hotels. Mr. Day drove back to Maysville, sent a telephone message to relatives that the party had concluded to spend the night with relatives in Fleming and then returned to Ripley.

Thursday morning the trio took the C.

and O. train to Manchester, drove to West Union, were happily married by Rev. S. C. Dobson, and arrived home at 4:30 in the afternoon and are, temporarily, at the groom's home on Commerce street.

The bride is the fourth daughter of Mr. and Mrs. Robert Kirk, of Forest avenue. The groom is a son of Rev. S. A. Day, formerly of St. Louis, but who a few months ago moved to this city.

The couple's friends unite in good wishes.

## Our 1900 Fall and Winter Stock of CLOTHING, SHOES and HATS

Is the most Satisfactory to us and our customers we ever had in the house. Were the fact not patent to the most casual observer we would not say it, and it is this:

OUR HOUSE STANDS TO-DAY FOREMOST FOR HANDLING BETTER GOODS THAN ANY OTHER HOUSE IN THE STATE,

and that is the only reason we enjoy the trade we do.

We have long since learned that our people don't want cheap goods; they want good merchandise at reasonable prices, and that's what they get from us.

We can in truth say that frequently we are more particular in the fit of the Suit or Overcoat our customer buys than the purchaser. We let nothing leave the house that is not as perfect as human hands can make it, but it pays. The amount of goods we sell is the best evidence that our endeavors are appreciated.

The ceremony took place in the parlors of the home of Rev. Father Ennis on Limestone street and was witnessed by relatives and a few of the intimate friends of the contracting parties. The brother of the bride, Mr. Henry Gollenstein, and Mr. Bart Thomas were the attendants.

The bride wore a beautiful costume of mode broadcloth, trimmed in ecru lace applique and mode velvet, with gilt buttons and braid.
